Our K4-K5 Program Is Open!

There were new faces at school this week as we opened our K4-K5 program. Ms. Christie welcomed our new students with loving care and attention. We currently have room for five more students in the program. If you know of a family looking for pre-Kindergarten placement, please mention that we are welcoming new students. For more pictures of their first day, see the Photo Gallery page on our school website: saipanprivateschool.com

Head of School Office Hours

Like last week, on Wednesday and Friday, Jeff will be "in his office" to talk to anyone who wants to pop in. He will be on his computer using Skype right after school from 2:30-3:00. Come by and say hi as you pick up your child(ren). You may have a question or a suggestion that you want to discuss. All subjects are welcome, so stop in for a chat.

Tuition Payments

Tuition is due on the first day of the month. Thank you to those who have already paid. Tuition not paid by September 10 will be considered late and accrue an additional \$25 late fee. Ms. Krystal is available every morning to take your tuition and give you a receipt.

Middle School Students Create Healthy Snacks

As part of a health unit in science, the middle school students created their own healthy snacks. For more pictures of the healthy snack creators, visit this web link:

Inclement Weather

In the event that the weather suddenly becomes dangerous or is consistently unsuitable for school, Whispering Palms School will follow the decisions of PSS. If PSS closes school, Whispering Palms will also be closed.
