International Peace Day At School

The International Peace Day observance at our school was part of a larger world-wide observance. We proudly congratulate our students and staff for preparing this event, and wish to thank the parents who made the effort to join us. We celebrated with music, poetry, speeches, art, and ended with a minute of silence and thoughtful focus on peace in the world while standing around our peace pole.

School Office

Jeff has hired Steph Castro to be the Administrative Assistant to work in our office on a daily basis. She is currently working at another position, so she will be transitioning out of her present job and to our school. She is scheduled to start in the office on Wednesday, October 5. Our October tuition is due October 1, but please wait until the fifth if you pay your tuition monthly. By October 5, we will be prepared to collect your money and offer a receipt.

Since no one will be in the office this week, you may wish to contact Jeff personally. If you would like to talk to him. Jeff will hold personal office hours after school on Wednesday and Friday in his office from 2:30-3:00. You can email him at his personal email or the school email any day, any time. Both email boxes are checked daily. These are the contact addresses:

Your Help is Requested

We are asking parents to serve as judges for PGFC on Saturday, October 1 and for JNFL on Saturday, October 22. As a school we are required to bring two adults for the first ten students or less. Without them, we are disqualified from further competition for the remainder of the season in PGFC or JNFL. You may not have a student participating in the program, but please consider joining us in this extra-curricular event. If you are available on either Saturday, please let Jeff know at his personal email address: jefflaroux@att.net. Thank you.

Parent Conference Scheduling

If you have not scheduled a 25 minute personal conference with your child's teacher for Tuesday, October 11, please do that this week. We have tried to accommodate busy schedules by offering morning, afternoon, and evening times. Please work with your child's teacher to establish an available appointment.
