

# MONDAY MESSENGER

## Upcoming Events:

- Monday, November 14:  
Ms. Kim's class to PIC
- Saturday, November 19:  
6- 8 Forensics Competition
- Monday, November 21:  
Ms. JoAnn's class to PIC
- November 24-25:  
Thanksgiving, No School
- Monday, December 5:  
Mr. Nick/Ms. Christie to PIC
- Tuesday, December 6:  
Winter Program, 7:00 pm

## Congratulations!

Four of our elementary students participated in PGFC, or forensics for elementary students. Soarin placed third in dramatic interpretation, and Helen placed fourth in impromptu and first in Reader's Forum. Congratulations to Lily and Katie Rose, who also participated in the event.

## Studying Apples

Students in Ms. Christie's class enjoyed a unit of study on apples last week. The unit ended with a celebration of eating apples, apple pie, and drinking apple juice.

## Swim Meet

Our students participated in a swim meet last Saturday. Here are some of the pictures from that event. For more pictures of the swim meet, see our website at [www.saipanprivateschool.com](http://www.saipanprivateschool.com)

## Middle School Mock Election

After studying how the electoral system works, the students in Ms. JoAnn's class cast ballots and submitted them to the official class ballot box. They examined the workings of the Electoral College, the official method by which the United States population elects its presidents, and how the number of electoral votes is determined for each US state. They studied popular votes and the relationship between popular votes and Electoral College votes. To simulate the Electoral College requirement, students' votes were secretly identified with a specific number of Electoral College votes. In the end, the class elected Hillary Clinton to be the next president. In the real election, Hillary Clinton received more popular votes, but Donald Trump won the most electoral votes, making him our next president. You can view more WPS election pictures on our website at :
