## Parent Meeting: We Want You!!

Many schools are run by a Board of community members, a church, or a supporting business. Our school is run by a Board of interested parents, elected to serve on the Board by all the parents of the school. This Wednesday, February 15, our Board has scheduled a meeting for all parents of the school to discuss our current and future operations. Parents' input will be sought and listened to in response to planning for the next school year. In a sense, this is much like a stockholders' meeting for a business. This is an important meeting, and all parents are strongly encouraged to attend. The meeting will begin at 6:30 pm in the middle school room.

## Valentine's Day Fundraiser

Our Eighth grade students have initiated their own fund raiser to help pay for their trip to Europe in May. Tomorrow they will be delivering Valentine Grams. If you have not ordered a Valentine Gram yet, contact Jasmine Frink or your child's teacher.

## Letters To Elly: A Follow Up Story

You may recall that our middle school students sent gifts and a card at Christmas to a young girl in Michigan who has cancer. Her name is Elly, and she made a request to have cards sent to her from all over the world. Elly was marking places on a map to indicate the origins of the cards being sent.

To follow up and make another connection, our middle school students researched and prepared information about Saipan. They wrote personal letters that explained about a cultural or historic site on Saipan. Elly had stated that she felt lonely because she no longer attends school. We made an attempt to bring our school into her home.
