Dane Hodges: Oratory Champ

We have a very talented orator in our school. If you were able to attend the winter

Holiday Program, you heard Dane Hodges speak. He is confident, clear, and enthusiastic. Last weekend at regionals, he placed in all the events he entered. He earned first place in the Original Oratory category, writing and delivering his own speech. He also placed third in Poetry Reading and third in Declamation. Since this was a regional competition, all students had to qualify to participate. His current wins qualify him to represent Whispering Palms School at the national competition in Birmingham, Alabama in late June. Congratulations Dane!

Early Enrollment Opens

On March 1, Whispering Palms School will begin enrolling students for next fall. An enrollment packet can be

picked up in the office and should be returned with a non-refundable registration deposit. Our usual registration fee is \$450, but those who register by March 15 will only be assessed the early enrollment fee of \$300 per child. Our annual tuition for next year is \$3,200 per child with a \$200 discount for anyone paying early. More details on fees and discounts are listed in the enrollment packet.

Managaha Trip Next Week!

All students have been invited to attend the day school that we are planning on Managaha, the little island just off of our big island of Saipan. We are finalizing plans to have students take mini courses in environmental science, art, music, and local cultural heritage. The WPS staff will be camping overnight with interested families on Thursday, March 9. We are planning to spend some time singing camping songs and sharing each others' company. This is a once a year event that we encourage all to enjoy.
