Presentation
- Friday, March 17:
End of the Third Quarter
- Thursday, March 30:
Science Fair at WPS
- Friday, March 31:
Last day of school before
Spring Break begins
- Monday, April 17:
School resumes

Managaha Trip

Our annual trip to Managaha was beautiful! Our students spent two days as a school learning on the uninhabited island of Managaha. They created sand art, beading, and pictures from natural items. They conducted a digital scavenger hunt, were introduced to ukulele performance, participated in cooperative games, and listened to a scientist discuss sea turtles and sea life. On Thursday night, we made smores around a bonfire and sang songs together. Catalina suggested the ABC Song, and led us on her ukulele. There was free time to play, read, and swim. Students camped overnight with the WPS staff and parents, and had the option of remaining for a second night of camping at their discretion. For more Managaha pictures, go to our website under the SCHOOL LIFE tab:
