Science Fair at WPS, 6-7 pm
- Friday, March 31:
Last day of school before
Spring Break begins
- Saturday, April 1:
Red Cross Walkathon
- Monday, April 17:
School resumes

Red Cross Annual Walkathon: April 1

The money raised by the annual Red Cross Walkathon is used locally to support the Red Cross disaster program which includes preparedness, response and recovery. This year's walkathon is scheduled for April 1, and students will be given fliers tomorrow to start collecting pledges. The Red Cross does not receive any local government financial assistance, so we have an opportunity to help. For the ninth year in a row, let's make a difference in our community by supporting the efforts of the Red Cross Walkathon. This is an event that focuses on people helping people.

Concert Pianist Visits Whispering Palms

Classical pianist, Roman Rudnytsky, met with our students last Tuesday. He answered questions about his playing and his background in music. We learned that he memorizes the music he plays, which means he can play hours' worth of music at will. He played musical pieces by Schumann and Haydn for the entire school, which gathered in the middle school room. He also played an American selection from the mid-1800s, which showed his flexibility. He will be featured at a free public concert this Friday, March 24, at the American Memorial Park inside theater. The performance will begin at 7 pm. For more pictures of the school presentation, check out our website under the SCHOOL LIFE tab:

St. Patrick's Day

It is traditional to wear something green on St. Patrick's Day, and the students came to school prepared on Friday. Ms. Nadia worked with our students last Thursday focusing on traditional themes. In our K4/K5 class, the students learned the order of the colors of the rainbow and made one that led to a pot of gold.
