Science Fair at WPS, 6-7 pm
- Friday, March 31:
Last day of school before
Spring Break begins
- Saturday, April 1:
Red Cross Walkathon
- Monday, April 17:
School resumes

Red Cross Annual Walkathon: April 1

The money raised by the annual Red Cross Walkathon is used locally to support the Red Cross disaster program which includes preparedness, response and recovery. This year's walkathon is scheduled for April 1. Students have been given pledge sheets to collect pledges. The Red Cross does not receive any local government financial assistance, so we have an opportunity to help. For the ninth year in a row, let's make a difference in our community by supporting the efforts of the Red Cross Walkathon. This is an event that focuses on people helping people.

Enrollment for next year ends Friday!

This Friday, March 31, is the last day to register for next year at the \$400 registration level. All interested families are encouraged to call this week: 323-7451.

Ocean Study

Our youngest students are four and five years old. Their teacher, Ms. Christie has been teaching them about the ocean. Take a look at some pictures that highlight their learning of the ocean unit of study.
