## Students Return From Europe

Our four eighth grade students returned today from their twelve-day trip to Europe. A big thank you to Ms. Nadia and to April Liske-Clark for helping to chaperone the students on this educational trip. You can view their favorite pictures at our website: www.saipanprivateschool.com and look under the School Life tab. You should be able to click a pop up menu for "International Trip" in the Photo Gallery tab. Last week they were in Berlin and Amersterdam.
