MONDAY MESSENGER

Eighth Grade Graduation

We had a beautiful ceremony on Wednesday evening in the theater at American Memorial Park Museum to honor our four graduating eighth grade students. Our 2017 graduating students were Jasmine Frink, Mia Hirsh, Samantha Liske-Clark, and Beckham Richards. Each of them gave a reflection presentation about their recent trip to Europe, followed by a short individual speech that highlighted their academic opinions and memories. Dana Okano, Chair of our Board was present as the MC and awarded the certificates of graduation to the students. Our graduates are prepared for high school, planning to attend four different schools next year. We are proud of their accomplishments!

Spring Program

On Monday, June 5, our students gave a public presentation at the Multipurpose Center. The theme of the night was "Moving On." The students sang, performed original speeches, and displayed a thoughtful awareness of their last Whispering Palms performance. Below is a picture of our school students and staff from their last performance together.

Final Hurrah!

Last Saturday, June 10, the Whispering Palms parents and Board worked together to sponsor a final potluck get together. The most appropriate place, of course, was at our school. There was food, games, conversation, and laughter. It was a most appropriate way to say farewell.
